Berkshire Faculty Services**

Request a Cost Estimate for your Health Care Services

Patients who would like to request a cost estimate for health care services with a Berkshire Faculty Physician should contact our Financial Specialists in the specific practice at the number listed at the bottom of this page.:

The following information will be required in order to prepare a cost estimation.

Name _____ Date of Birth _____ Phone Number _____

Insurance information or Self Pay _____

Procedure information(if available CPT Code) _____

Date of procedure (if scheduled) _____

Physician's name _____ Physician's phone number _____

The Financial Specialist will generate the estimate and provide it to the patient within two days of the initial request.
