"I wanted to take a minute to tell you what a pleasant experience it was for me to donate. The staff on the mobile was professional, polite and friendly! I've donated blood several times in the past, and I can honestly say this was the first time that I wasn't even a little bit nervous." -E-mail to BHS President David Phelps from Berkshire Bank employee

"The team you have working in that vehicle were the nicest people. They put everyone at ease." -Sampco, Inc. employee

"I want to tell you that I have gotten nothing but great comments from the blood drive we had. The bloodmobile staff was so reassuring to all of us first time donors, as they were to all who donated. "  
-Mountain One Financial Partners employee

"We love the Bloodmobile! The staff are wonderful and the convenience of the bus visiting our location is a big plus with us." -Canyon Ranch employee
