THE GOOD NEWS: 5 U.S. hospitals* earned this recognition.

THE BETTER NEWS: 1 of them is in your community.

Our hospital team was recently recognized for efforts in delivering care that’s consistent with the most up-to-date scientific guidelines for the treatment of coronary artery disease, heart failure and stroke. Triple gold performance achievement in all three Get With The Guidelines™ quality improvement programs is one more reason to rest assured that exemplary care is close at hand.

*As of January 31, 2009, five hospitals had triple-gold-performance status.

The American Heart Association and American Stroke Association recognize this hospital for achieving at least 2 years (for gold) of 85% or higher adherence to all Get With The Guidelines™ program quality indicators to improve quality of patient care and outcomes. © 2009 American Heart Association. The American Heart Association/American Stroke Association does not accredit, certify or endorse the hospital listed above.
